

Volunteer Task

Sunday 24th June

Meet at: 10.30am

Howardian Hills AONB
Office

Hedgehog Homes

The aim of the task is to build 20 hedgehog homes. Over the following week the homes will be delivered to churchyards and community areas to work towards Ryedale Biodiversity Action Plan Targets.

You do not need to be a woodworker !! All pieces are pre-cut and we simply put them together.

The task will take place at the AONB Office (map attached). If it is dry we will be outdoors, if it is raining we will be inside. Feel free to pop in and build one box or to stay until we have completed them all.

Please bring with you:
Lunch and a willing pair of hands.

We will provide:
Tea, coffee, squash etc
and all required materials
and tools.

If you have any questions please contact:
Liz Bassindale (Assistant AONB Officer) at the
Howardian Hills AONB Unit. Tel: 01652 627164
or E-mail: liz.bassindale@northyorks.gov.uk
