 GreenSpace

The national award for community green space

“The Green Pennant Award reinforces the standard of our work with the local community and our commitment to a sustainable environment.”

Ann De Boch for Earthworks St Albans

about the award

The Green Pennant Award is a national award scheme that recognises high quality green spaces in England and Wales that are managed by voluntary and community groups.

The Award has an impressive and established background it's part of the Green Flag Award scheme, the national standard for quality parks and green spaces.

The Green Pennant Award is run by the Green Flag Partnership and supported by the Department for Communities and Local Government.

why enter?

Receiving a Green Pennant Award is an excellent way to help generate interest and attract attention in your community to your green space. The benefits of receiving an Award include excellent publicity for your site and your organisation on a national and regional scale, increased funding opportunities and visitor numbers, and the knowledge that your site is helping to contribute to a renewed sense of pride in your area. Winners receive a pennant and certificate to display on site for 1 year.

who can enter?

There are a range of community- based organisations that can apply to have their green space assessed for Green Pennant Award, including: Community Groups, Voluntary organisation and City farms and gardens.

what will the Judges be looking for in your green space?

Each green space will be judged on its own merit by an expert who will visit each site. You won't be in competition with others an Award will be given to any space that is judged to meet the award criteria.

what type of 'green space can enter?

Any type of green space is eligible for entry, as long as it is freely accessible.
